**Get Up, Get Out
and Get Involved**

ARE YOU INTERESTED in getting your children involved in Gaelic Football or Hurling, or in coming along yourself to get involved in your local club?

Saint Agnes Gaelic Athletic Club (the Aggies) is a long established family orientated, vibrant GAA club which for almost 60 years has provided local kids with the opportunity to make friends, stay fit, and develop a lifelong passion for sport.

Gaelic Games are something for the whole family to do together. We encourage participation from the parents of Juvenile Members (Aged 8-18) and will organise training for anyone wishing to help with our youth teams.

In these days of Sky TV, PSP's and the internet, it's too easy to let the kids sit around the house, but life is better lived outdoors, and the long road to Croke Park on All Ireland Final Day can begin for you or your kids at the Aggies home pitch Pairc Naomh Una at Woodlands Playing Fields Finaghy Road North.

We have teams from 8 year old through senior level: many of our juvenile players come from Holy Child PS, Saint John the Baptist PS and St Anne's PS ; we are open for new members to join our club.

Any boy or girl aged 8 – 18 simply turn up any Saturday morning between 10.30am – noon at the Clubs Pitch at Woodlands Playing Fields and introduce yourself.

We will soon be launching a new website which will feature all the news on Aggies fixtures, training sessions and matches. Visit the site at www.stagnesgac.com

Check out the Andersonstown News every Thursday for up to date information on what's on at Saint Agnes or send an e-mail to info@stagnes.com and be added to distribution list for our weekly newsletter, so come on, Get Up, Get Out and Get Involved.
